

Authorship Contribution Form
Journal of the Society of Laparoendoscopic Surgeons (JSLS)
MIS Case Reports from SLS (CRSLS)

The Journal of Journal of the Society of Laparoendoscopic Surgeons (JSLS) and the MIS Case Reports from SLS (CRSLS) follows the Uniform Requirements set out by the International Committee of Medical Journal Editors (www.icmje.org) for authorship.

To qualify for authorship, each author must make a substantial contribution to the intellectual content of the manuscript in each of the following categories:

- Substantial contributions to the conception or design of the work; or the acquisition, analysis, or interpretation of data for the work; AND
- Drafting the work or revising it critically for important intellectual content; AND
- Final approval of the version to be published; AND
- Agreement to be accountable for all aspects of the work in ensuring that questions related to the accuracy or integrity of any part of the work are appropriately investigated and resolved.

The corresponding author is responsible for ensuring that all coauthors meet the requirements for authorship. Each author agrees that the corresponding author will be responsible for the submission of the manuscript to the Journal and any associated activities. By submitting this manuscript, each of the authors indicates that he or she has had full access to all data in this study and takes complete and public responsibility for the integrity of the data and the accuracy of the data analysis. The issue of authorship must be resolved before submission of the manuscript. **All authors must sign this form, confirming he or she has made the contributions listed in the chart below.**

Please list all the manuscript authors and their contribution in the Contribution Table below. This form should be submitted with the original submission.

Article Title:

I have made substantive intellectual contributions to the content of this manuscript in the following areas:

Author Names	Concept/ Design	Data Acquisition	Data Analysis Interpretation	Drafting Manuscript	Critical revision of manuscript	Statistical analysis	Securing funding	Admin, technical, or material	Supervision	Final Approval

Other contributions:

All authors must sign and date:

1. Corresponding Author
